

2023 Farm Fund Request for Proposals

I. Introduction

The mission of the Monadnock Food Co-op Farm Fund is to support local farmers committed to wholesale production in increasing sustainable food production and the viability of their operations to contribute to a thriving local farm economy.

The Monadnock Food Co-op (MFC) in partnership with the Cheshire County Conservation District (CCCD) request proposals from farms who seek funding to make investments in the following areas:

- Food safety planning and infrastructure
- Equipment for efficient and sustainable food production and harvesting
- Food storage infrastructure
- Equipment for value-added food production
- Packaging and labeling development, including the design of logos
- Cost share for technical assistance including business and financial planning from the NH Community Loan Fund or other reputable providers

NEW IN 2023

- Critical farm infrastructure and necessary capital improvements for long-term farm viability. This project category is only available for farms who have been established and contributing to the agricultural economy for more than ten years.
- Support for farmland conservation (this could include succession planning and attorney fees associated with the permanent protection of farmland)

The following will not be funded:

- Farm staff time
- Advertising
- Research and feasibility studies
- Efforts that will not lead to increased production and wholesale sales
- Day to day operational costs (e.g. seeds, mulch, fertilizer, etc.)

Priority will be given to projects that:

- Increase farm profitability
- Develop or expand production for wholesale markets, including the Monadnock Food Co-op
- Meet market demand
- Cost/benefit analysis determines efficient use of funds
- Have a significant impact on the long-term viability of the farm. This includes the permanent land protection through conservation and capital improvements for critical farm infrastructure.

II. Eligible Applicants & Sites

A. Eligible Applicants

Farms in Cheshire County and abutting NH towns.

Farm businesses in operation for at least one year and have secure access (own, lease) to land on which the operator is farming. If renting, the lease must be in writing, and have a term long enough for the farmer to complete the proposed improvement project and see a return on the investment.

To receive funding a farm must operate in compliance with all applicable federal, state, and local regulations.

B. Eligible Sites

Projects will need the signed consent and approval of the appropriate governing body or landowner(s).

III. Program Funding and Project Duration

A. Funding Availability

There is approximately \$40,000 available in the 2023 funding cycle. Awards no less than \$500 and no greater than \$20,000 will be considered. Program administrators reserve the right to offer funding to selected projects at an amount less than requested in the application budget. Program administrators also reserve the right to deny funding to applicants that do not propose a strong project. Remaining funding, if any, will be made available in future grant rounds.

Program participants must provide receipts verifying expenditures have occurred within the contract period prior to receiving grant funds. Costs incurred prior to contract execution cannot be reimbursed and will not qualify as Program expenditures.

B. Project Timeframe

Project must be completed and the final report submitted by December 31, 2023.

C. Timeframe: Grant Award Funding Decisions and Allocations

PROCESS	APPROXIMATE TIME FRAME
1. RFP is available.	November 1, 2022
2. Optional Zoom Informational Sessions, Registration Required: Wednesday, December 7th, 2022 at 6:00PM and Thursday, January 5th, 2023 at 6:00PM	December 7, 2022 January 5, 2023 at 6:00PM
3. Proposals are due.	February 1, 2023
4. Proposal review process. Applicants may be contacted for additional information to clarify the project.	February 1-28, 2023
5. All Applicants are notified of funding decision.	March 15, 2023
6. Project ends and report and photos are due.	December 31, 2023

- No payment will be made for project costs incurred prior to notification of grant award.

IV. Application Submittal Procedure

The proposal can be submitted digitally or by hard copy in the mail. Applications must be postmarked by the due date.

A. Proposals Mailed to:

Monadnock Food Co-op Farm Fund
Cheshire County Conservation District
11 Industrial Park Dr
Walpole NH 03608

Or email to:

Amanda@cheshireconservation.org

Proposal Due Date: February 1, 2023

V. Grant Funding and Information Required for Funded Applications

A. Successful Applicants – Grantees - will be required to submit the following additional information:

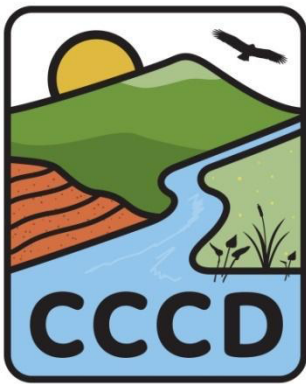

1. Alternate W-9 (form provided by CCCD).
2. Certificate of Insurance, with the “Monadnock Community Market Cooperative, Inc.” and “Cheshire County Conservation District” listed as an additional insured. Comprehensive public liability insurance in amounts not less than \$1,000,000 for bodily injury or death and \$500,000 for property damage, statutory workers' compensation and employees' liability insurance are required. Cost of insurance cannot be a component of the application. The CCCD may choose to modify this requirement after evaluating the possible exposure of the CCCD to liability with respect to the proposed grant agreement.

3. Signed contract (provided by CCCD)
4. Contracts of subcontractors if applicable.

VI. Project Monitoring

- A. Payment for the project will be made upon the completion of the project and submission of final report. 25-50% of project costs can be made available at the start of the project upon request with reasonable justification.
- B. Grantees are required to submit a final project report in a digital format. A template will be provided. The final project report shall document the completion of project tasks and the results attained, include documentation of all expenses, contain before and after photos, as jpg files, of the project as applicable, and share a testimonial from the farm owner and/or manager on the benefits the financial assistance from the Farm Fund provided.
